Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## Calendar Descriptions

You must be registered in Level IV of an Honours program in History. Departmental Permission Required.

### **4A06 Racism and Human Rights in Post-Confederation Canada**

This course examines ethnic and racist prejudices and discrimination in Canada including attitudes towards immigrants from Asia and Europe, African Canadians and Indigenous peoples. It will explore the efforts of human rights advocates. Seminar (two hours) two terms

### **4AW3 North Atlantic Crossings, 1750-1940**

This course focuses on the cultural and intellectual interplay between Britain, Canada, and the United States focusing on the contexts of Enlightenment; the effect of transatlantic revolution; the rise of evangelicalism; the Darwinian revolution; and the differing origins and outcomes of the “progressive” impulse. Seminar (two hours); one term

### **4CM3 Modern Canadian History**

Selected theme in early Canadian history. Seminar (two hours); one term

### **4HH3 China’s Great Cultural Revolution**

A critical assessment of the origins, development, and consequences of the darkest political campaign in 1960s-70s China. Seminar (two hours); one term

### **4HP3 The History Practicum**

The history practicum offers a capstone experience for upper-level students. It is an opportunity for experiential learning in the field of history. Selected students will work closely with a supervisor on an ongoing historical project at one of Hamilton’s many heritage sites. Seminar (two hours); one term (Antirequisite: History 3HP3)

### **4JJ3 US Foreign Relations**

Topics in the history of the United States Foreign relations in the modern era. Seminar (two hours) one term

### **4K03 Environment and Environmentalism in Modern North America**

Explores how different social groups in the United States and Canada confronted the sometimes adverse impact of urban and industrial growth on the physical environment of their communities. Seminar (two hours); one term.

### **4KK3 Research on the British Atlantic, 1750-**

This seminar will generate research projects on topics ranging from the political, cultural, and social impacts of the American Revolution on Atlantic societies, the nature of Atlantic slavery in an age of emancipation, the nature of counter-revolutionary impulses, and the creation of new settler societies after the American Revolution. Seminar (two hours); one term

### **4LP3 The Cultural History of Paris, 1789-1914** (Cross list: Art History 4LP3)

Topics to be examined include: developments in architecture and city planning; the conservation of historic buildings and monuments; cultural institutions such as museums and art exhibitions; and the impact of gender, race and economics on experiences and concepts of identity in France’s capital. Seminar (two hours); one term

### **4RP3 Independent Research Project**

A supervisor must approve the research topic before the ballot is submitted. Prerequisite: A cumulative average of at least 9.0. A reading and/or research program under the supervision of one member of the Department. A major paper is required, as well as a formal oral examination. Seminar (two hours); one term Antirequisite: History 4RP6

### **4RP6 Advanced Independent Research Project**

A supervisor must approve the research topic before the ballot is submitted. Prerequisite: A cumulative Average of at least 10.0. A reading and research program under the supervision of one member of the Department. A major paper is required, as well as a formal oral examination. Seminar (two hours); two terms Antirequisite: History 4RP6, 4U06

### **4S03 The German Reformation**

This course examines the Reformation as a critical religious, political and cultural event. Topics include Lutheran and Calvinist theology, gender, confessionalization and the role of printing. Seminar (two hours); one term
